OZZI

USF DINING IS EXCITED TO ANNOUNCE A NEW INNOVATIVE REUSABLE CONTAINER PROGRAM, OZZI, THAT WILL AID IN REDUCING THE UNIVERSITY'S LANDFILL WASTE.

O2GO REUSABLE CONTAINERS BY OZZI ELIMINATES AN ESTIMATED

25 MILLION

SINGLE-USE DISPOSABLE CONTAINERS FROM LANDFILLS AND OCEANS

How OZZI Works

1. Meal Plan Holders can opt into the OZZI Reusable Container Program by making a $5 Dining Dollar deposit for their first O2GO®container and/or bowl. This can be done at The Hub and Juniper Dining on the Tampa Campus or The Nest on the St. Pete Campus.

2. Fill up your O2GO® container and bowl from any station in the dining hall. Make sure the containers clasp shut prior to exiting the dining hall.

3. Be sure to rinse and wipe your O2GO® container once you are done with your meal.

4. Bring your used O2GO® container back to the dining hall and deposit it with the barcode up into the OZZI machine located at the dining hall entrance.

5. Follow the directions on the machine's screen to receive a token that will be required for a new O2GO® container.

6. If you would like to get your meal to-go, present the token to the cashier to receive a clean O2GO® container.

IF YOU DO NOT HAVE A TOKEN, YOU WILL BE REQUIRED TO PURCHASE AN OZZI CONTAINER FOR $5 DINING DOLLARS EACH.

YOU CAN PURCHASE AS MANY OZZI CONTAINERS AS YOU WISH FOR $5 DINING DOLLARS EACH.

GUESTS THAT WISH TO DINE-IN AND TAKE A MEAL TO-GO WILL BE CHARGED FOR TWO MEALS.

USF DINING WILL ACCEPT DEPOSIT REFUNDS FOR INITIAL O2GO® BOX AND BOWL. REFUNDS WILL BE PROVIDED AT THE DINING HALLS IN THE FORM OF DINING DOLLARS DURING THE LAST WEEK OF THE SEMESTER ONLY.

O2GO® CONTAINERS ARE MICROWAVE, FREEZER AND DISHWASHER SAFE.

USF Dining will maintain these containers and replenish them at each location. The rental term for containers is one semester. Meal Plan holders will have the opportunity to return their initial box/bowl to receive their initial rental charge back in Dining Dollars.
