
WE'RE READY FOR YOU

USF Dining has collaborated with the University of South Florida to create a robust re-open strategy that spans a wide-range of scenarios to support our return to campus this fall.

Here are some things that our guests can expect from our USF Dining Clean Team:

Frequent cleaning of high-touch surfaces

Floor markers designating safe distances and directional traffic flow

Increased sanitizing frequency

Individually packaged condiments

Silverware distribution

Enhanced convenient store offerings

Virtual USF Dining Feedback Forums, cooking demonstrations and events

Directional and informative signs and graphics

Table and chair reconfiguration

Individually wrapped grab & go fruit

Single-use cup policy

Facial covering requirements within in all dining locations upon entering and exiting

Plexiglass installation at points of sales

Boxed catering and care package offerings available online
